TENANT OVERVIEW

HWY 55 BURGERS, SHAKES & FRIES

Founded in North Carolina in 1991, Hwy 55 has grown from a local American diner serving Burgers, Cheesesteaks and in-house made Frozen Custard, to a community staple in 13 States. With over 140 locations and more on the way, Hwy 55 has transformed from a humble, single location, to one of the largest restaurant chains in the United States. Not forgetting its formidable days, Hwy 55 has maintained its homely, humble feeling by delivering authentic hospitality while providing guests with visibility into the kitchen to see their orders being made.

Like many successful restaurant chains, Hwy 55 has always adapted and catered to its customers while staying true to its mission. With the addition of a drive-thru lane, Hwy 55 is once again raising the bar to best serve their customers. It is actions such as this that has helped Hwy 55 and its founder, Kenney Moore, receive accolades like the Best Burger in 2012 nationwide via BurgerBusiness.com, named a top 500 franchise in the United States by Entrepreneur magazine, and a Next 20 restaurant brand by Nation's Restaurant News.

MARKET OVERVIEW

FAYETTEVILLE, NORTH CAROLINA

The City of Lumberton was created by an Act of the NC General Assembly in 1787 and was named the County seat of Robeson County. Lumberton is located on the Lumber River in the coastal plain region of North Carolina. The Lumber River State Park, one hundred and 15-miles of beautiful natural and scenic waterway, flows through Lumberton, North Carolina.

Lumberton is located about 33 miles from Fayetteville, NC. Fayetteville is located adjacent to Interstate Highway 95, a major north-south corridor that links the city to Washington D.C., Baltimore and New York to the north, and to Charleston, Orlando and Miami to the south. Interstate 295 – the Fayetteville Outer Loop - is currently being built around the western side of the City, which will further increase Fort Bragg and the city's direct access to Interstate 95. The 39-mile outer loop will be fully completed by 2025. State highways also link the City to the beaches along the southeast coast of the State and to the mountains in the west. Fayetteville encompasses portions of Fort Bragg and is adjacent to Pope Army Airfield adding significantly to the Fayetteville area economy and culture.

Fort Bragg is one of the largest military installations in the world. The military base is home to the Army's XVIII Airborne Corps and the 82nd Airborne Division, as well as the U.S. Army Special Operations Command and the 3rd Special Forces Group. In 2011, Fort Bragg also became the headquarters for the Army's combat-ready conventional forces and the Army Reserve following the move of U.S. Army Forces Command and U.S. Army Reserve Command to the base.

Fort Liberty and Pope Field pump about \$4.5 billion a year into the region's economy, making Fayetteville one of the best retail markets in the country. Fayetteville serves as the region's hub for shops, restaurants, services, lodging, health care, and entertainment. The Fayetteville area has a large and growing defense industry and was ranked in the top five areas in US for 2008, 2010, 2011 by a trade publication. Eight of the ten top American defense contractors are located in the area.

Working With Real Estate Agents Disclosure (For Buyers)

IMPORTANT

This form is <u>not</u> a contract. Signing this disclosure only means you have received it.

- In a real estate sales transaction, it is important that you understand whether an agent represents you.
- Real estate agents are required to (1) review this form with you at first substantial contact before asking for or receiving your confidential information and (2) give you a copy of it after you sign it. This is for your own protection.
- Do <u>not</u> share any confidential information with a real estate agent or assume that the agent is acting on your behalf until you have entered into an agreement with the agent to represent you. Otherwise, the agent can share your confidential information with others.

Note to Agent: Check all relationship types below that may apply to this buyer.

Buyer Agency: If you agree, the agent who gave you this form (and the agent's firm) would represent you as a buyer agent and be loyal to you. You may begin with an oral agreement, but your agent must enter into a written buyer agency agreement with you before making a written offer or oral offer for you. The seller would either be represented by an agent affiliated with a different real estate firm or be unrepresented.

Dual Agency: Dual agency will occur if you purchase a property listed by the firm that represents you. If you agree, the real estate firm <u>and</u> any agent with the same firm (company), would be permitted to represent you <u>and</u> the seller at the same time. A dual agent's loyalty would be divided between you and the seller, but the firm and its agents must treat you and the seller fairly and equally and cannot help you gain an advantage over the other party.*

Designated Dual Agency: If you agree, the real estate <u>firm</u> would represent both you and the seller, but the firm would designate one agent to represent you and a different agent to represent the seller. Each designated agent would be loyal only to their client.*

*Any agreement between you and an agent that permits dual agency must be put in writing no later than the time you make an offer to purchase.

Unrepresented Buyer (Seller subagent): The agent who gave you this form may assist you in your purchase, but will <u>not</u> be representing you and has no loyalty to you. The agent will represent the seller. Do not share any confidential information with this agent.

Note to Buyer: For more information on an agent's duties and services, refer to the NC Real Estate Commission's "Questions and Answers on: Working With Real Estate Agents" brochure at ncrec.gov (Publications, Q&A Brochures) or ask an agent for a copy of it.
